7TH EXPERT STRATEGIES IN ENDOSCOPY, GASTROINTESTINAL AND LIVER DISEASES

State-of-the-art lectures
Hands-on endoscopy sessions
International faculty

MARCH 12, 2016 | INTERCONTINENTAL HOTEL, 401 WARD PARKWAY, KANSAS CITY, MISSOURI

Course Directors: Prateek Sharma, M.D., and Kenneth Wang, M.D.
Greetings

We would like to welcome you to another issue of our “Expert Strategies in Endoscopy, Gastroenterology and Liver Diseases” program to be held on March 12, 2016. Based on feedback received from several of you who have attended this program in the past, we have kept our focus on the important hands-on sessions dealing with important technological advances in endoscopy, as well as having you learn from the “Masters in Endoscopy.”

We also feature a post-graduate course format of brief, to-the-point, state-of-the-art lectures by international and national experts in the field of inflammatory bowel disease, hepatology and endoscopy. Our state-of-the-art course will include a full day of clinically relevant topics that will be extremely useful as we strive to update you in the ever changing field of medicine.

We are pleased to invite you to attend this program in the heart of the Midwest — Kansas City — at the InterContinental Hotel on the Country Club Plaza. We look forward to seeing you and sharing the exciting developments in this field.

Kenneth Wang, M.D.
ASGE President
Professor of Medicine
Mayo Clinic College of Medicine

Prateek Sharma, M.D.
Professor of Medicine
University of Kansas School of Medicine

Join Your Colleagues…

March 12, 2016 at the InterContinental Hotel, 401 Ward Parkway, Kansas City, Missouri, for the

7th Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases

This one-day conference provides clinical gastroenterologists, endoscopists, hepatologists, advanced practice registered nurses, nurses and other healthcare professionals new skills to enhance competence and practice performance. Participants will be exposed to cutting-edge information on endoscopy, gastroenterology and liver diseases through state-of-the-art lectures and hands-on endoscopy sessions taught by an international faculty of experts.

CME Credit available | CNE Credit are pending final program review.

Jointly provided by The University of Kansas School of Medicine, the Mayo Clinic College of Medicine and University of Kansas Medical Center Continuing Education & Professional Development
Overview
The purpose of the 7th Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases is to enable participants to improve competence and practice performance for managing patients’ endoscopy and gastrointestinal and liver diseases.

The afternoon hands-on session is by far the most needed educational training based on performance gap analysis. This popular session includes demonstration and hands-on practice of the following techniques: clipping, stenting, closing perforations, cryotherapy, radio frequency ablation, hemostasis, cauterization, argon gas, endoscopic mucosal resection, endoscopic submucosal dissection, ablation, snare techniques, injection needles, the use of HD endoscopes, etc. We are also offering a separate hands-on session specifically designed for nurses and GI fellows to gain familiarity with various endoscopic tools and techniques.

Participants will prepare for the hands-on session during our morning educational presentations by learning common and controversial topics in endoscopy, gastrointestinal and liver diseases. The morning presentations include interactive audience polling and Q&A sessions, which provide participants with opportunities to receive expert feedback.

Target Audience
This conference is targeted towards clinical gastroenterologists, endoscopists, hepatologists, advanced practice registered nurses, nurses and other health care professionals.

Objectives
At the completion of this conference, participants should be able to:

• (Physicians, physician assistants) Formulate an evidence-based approach to inflammatory bowel disease, gastroesophageal reflux disease and functional bowel management by utilizing new therapies.

• (Physicians, physician assistants) Apply the most recent guidelines to appropriately select therapy for patients with viral hepatitis and utilize colon cancer screening and surveillance to improve patient outcomes.

• (Physicians) Perform skills acquired through hands-on sessions by using endoscopic diagnostic tools for proper placement of endoluminal stents, mucosal ablation, hemostasis, endoscopic resection and advanced techniques to improve accuracy in making patient diagnoses.

• (Registered nurses, advanced practice registered nurses, physician assistants) Perform skills acquired through hands-on sessions for assisting in the use of endoscopic diagnostic tools, such as proper placement of endoluminal stents, mucosal ablation, endoscopic resection and advanced techniques to improve accuracy in monitoring and hemostasis.

Desired Outcomes for Practice Application
Improving competence and practice performance for managing patients with endoscopy and gastrointestinal and liver diseases can occur through state-of-the-art lectures and hands-on endoscopy sessions taught by an international faculty of experts. Desired outcomes can occur through application of the following in practice:

All participants:

• Appropriate diagnostic tools and techniques for optimal patient care.

• New and available therapies with an evidence-based approach for improving patient outcomes.

Nurse practitioner, physician, and physician assistant participants:

• Current guidelines to select best therapy for the management of stated patients.

Faculty

Todd Baron, M.D.
Director of Advanced Therapeutic Endoscopy, Division of Gastroenterology and Hepatology, UNC School of Medicine, Chapel Hill, North Carolina

Kenneth Binmoeller, M.D.
Interventional Endoscopy Program Director, California Pacific Medical Center, San Francisco, California

Lin Chang, M.D.
Professor, Division of Digestive Diseases, Department of Medicine, David Geffen School of Medicine at UCLA Digestive Health and Wellness, Los Angeles, California

Donald Campbell, M.D.
Professor of Medicine, Core Faculty, Internal Medicine Residency Program, University of Missouri-Kansas City, Kansas City, Missouri

Jacques Deviere, M.D.
Chairman of the Department of Gastroenterology and Hepatology, Erasme University Hospital, Brussels, Belgium

Greg Haber, M.D.
Director, Division of Gastroenterology, Lenox Hill Hospital, NYC Gastro, New York, New York

Steve Hanauer, M.D.
Professor of Medicine, Northwestern University, Chicago, Illinois

Robert Hawes, M.D.
Gastroenterology, Internal Medicine, Florida Hospital, Orlando, FL

Sreeni Jonnalagada, M.D., FASGE
Professor of Medicine, University of Missouri-Kansas City; Section Chief, Gastroenterology, Saint Luke’s Hospital of Kansas City (SLH); Director of Interventional Endoscopy (SLH), Saint Luke’s GI Specialists, Kansas City, Missouri

Paul Kwo, M.D.
Professor of Medicine, Medical Director of Liver Transplantation, Indiana University, Department of Medicine, Indianapolis, Indiana

John Martin, M.D.
Professor of Medicine, Mayo Clinic, Rochester, Minnesota

Moji Olyaee, M.D.
Norton J. Greenberger, M.D. Distinguished Professor, Division of Gastroenterology and Hepatology, University of Kansas Medical Center, Kansas City, Kansas

Doug Rex, M.D., FACP, AGAF, FACG, FASGE
Distinguished Professor of Medicine, Division of Gastroenterology/Hepatology, Department of Medicine, Indiana Purdue University, Indianapolis, Indiana

Yutaka Saito M.D.
Chief of Gastrointestinal Endoscopy, Division at National Cancer Center Hospital, Tokyo, Japan

Mohammad Titi, M.D.
Clinical Instructor, University of Kansas School of Medicine, Kansas City, Kansas
**Directors**
Prateek Sharma, M.D., University of Kansas School of Medicine, Kansas City, Kansas

**Agenda**

**Friday**
7:50 - 8 a.m.  Introduction: Kenneth Wang and Prateek Sharma

**Upper gastrointestinal diseases**
**Moderators:** John Martin and Doug Rex
8 - 8:15 a.m.  Stenting for esophageal diseases: Todd Baron
8:15 - 8:45 a.m.  Endoscopic treatment of Barrett’s esophagus: Kenneth Binmoeller
8:45 - 9 a.m.  Celiac disease and IBS: What is the overlap?: Lin Chang
9 - 9:30 a.m.  Break and visit exhibits

**Lower gastrointestinal diseases**
**Moderators:** Jacques Deviere and Todd Baron
9:30 - 9:45 a.m.  Current treatment of IBD in 2016: Can we de-escalate therapy?: Steve Hanauer
9:45 - 10 a.m.  My top 10 tips for colonoscopy: Doug Rex
10 - 10:15 a.m.  New biologics and immunomodulators in IBD: When and how?: Steve Hanauer
10:15 - 10:30 a.m.  Removal of flat colonic lesions: Yutaka Saito
10:30 - 11:00 a.m.  Break and visit exhibits

**Challenges encountered in daily practice**
**Moderators:** Kenneth Binmoeller and Greg Haber
11 - 11:15 a.m.  Functional diarrhea and constipation: How can we help?: Lin Chang
11:15 - 11:30 a.m.  Assessment of quality in endoscopy: John Martin
11:30 - 11:45 a.m.  Role of EUS in 2016: It isn’t just diagnostic anymore: Robert Hawes
11:45 a.m. - 12:45 p.m.  Lunch and visit exhibits

**Liver and pancreaticobiliary diseases**
**Moderators:** Robert Hawes and Yutaka Saito
12:45 - 1:10 p.m.  Treatment of HCV: Which regimen for what kind of patient?: Paul Kwo
1:10 - 1:25 p.m.  Management of biliary and pancreatic stone disease: Greg Haber
1:25 - 1:45 p.m.  NAFLD: How I treat and monitor these patients: Paul Kwo
1:45 - 2 p.m.  Diagnostic and therapeutic approach to pancreatic fluid collections: Jacques Deviere

**Break and visit exhibits**

12:45 - 2 p.m.  Hands-on Sessions for Nurses
2 - 5 p.m.  Hands-on Sessions for Physicians and Nurses

**Hands-on session moderators and faculty**
**Moderators:** Aline Moore, Moji Olyaee, Prateek Sharma and Kenneth Wang
**Faculty:** Todd Baron, Kenneth Binmoeller, Donald Campbell, Jacques Deviere, Greg Haber, Robert Hawes, Sreeni Jonnalagada, John Martin, Doug Rex, Yutaka Saito and Mohammad Titi.
1.  EMR techniques (cap technique, multi-band ligation and different knives)
2.  ESD and POEM (techniques and different knives)
3.  Hemostasis (clip, injection, spray, cauterize, APC)
4.  Ablation (RFA, hybrid APC, cryotherapy, cauterize)
5.  Stenting (esophageal, colonic)
6.  New techniques (WATS brushings, 3D-OCT, endomicroscopy)
7.  Capsule endoscopy station
**Location & Parking**

All events will take place at the InterContinental Hotel, 401 Ward Parkway, Kansas City, Missouri, 64112. There is no charge for parking for conference attendees.

Please bring a sweater or jacket since temperatures can be difficult to control in large rooms.

Go to VisitKC’s website, www.visitkc.com, for more information about Kansas City area events.

**Lodging**

A limited number of rooms have been reserved at the InterContinental Hotel, 401 Ward Parkway, Kansas City Missouri, 64112, at the daily rate of $139 for single or double occupancy. To take advantage of the special rate, call 816-756-1500 by February 18, 2015, and mention that you will be attending the KU Medical Center Expert Strategies program. After that date, room availability and rates cannot be guaranteed.

---

**Planning Committee**

Prateek Sharma, M.D., Professor of Medicine, Department of Gastroenterology, University of Kansas School of Medicine, Kansas City, Kansas; Kenneth Wang, M.D., Professor of Medicine, Department of Gastroenterology, Mayo Clinic College of Medicine, Rochester, Minnesota; April Higbee, RN, Department of Gastroenterology, VA Medical Center, Kansas City, Missouri; Jan Foecke, MS, RN, ONC, Director of Nursing Continuing Education, Clinical Assistant Professor, University of Kansas School of Nursing, Kansas City, Kansas; Lori Lutke, CRC, CCRP, Mayo Clinic College of Medicine, Rochester, Minnesota; Aline Moore, RN, MSN, CGRN, North Kansas City Hospital, President-Elect, Heartland SGNA, Kansas City, Missouri; Monya Floyd, Senior Program Manager, Continuing Education & Professional Development, University of Kansas Medical Center, Kansas City, Kansas.

**Acknowledgments**

Financial contributions and exhibitors of this program will be acknowledged in print and on signage at the conference.

**Exhibits**

Commercial vendors are invited to exhibit at this meeting. Limited exhibit space will be available. Call exhibit coordinator Monya Floyd at 913-588-4478 or e-mail mfloyd2@kumc.edu for an application and exhibit level information.
**Accreditation**

All participants are required to sign attendance rosters at the beginning of each day. A certificate of completion will be provided to all activity participants based on completion of the program evaluation, documentation of actual attendance time and payment in full. If you are not paid in full, a link to complete your evaluation and get your certificate will be emailed to you upon receipt of payment.

**Physicians:** The University of Kansas Medical Center Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The KU Medical Center Office of Continuing Medical Education designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** Up to 70 contact hours are pending final program review.

Refund/Cancellation Policy
A full refund of registration fees, less a $15 administrative fee, will be available if requested in writing and received by February 27, 2015. No refunds will be made after that date. A $30 fee also will be charged for returned checks. (Please note that if you fail to cancel by the deadline and do not attend, you are still responsible for payment.)

KU Medical Center Continuing Education and Professional Development reserves the right to cancel the 7th Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases and return all fees in the event of insufficient registration. The liability of the University of Kansas is limited to the registration fee. The University of Kansas will not be responsible for any losses incurred by registrants, including but not limited to airline cancellation charges or hotel deposits.

Privacy Policy
KU Medical Center Continuing Education does not share, sell, or rent its mailing lists. You have our assurance that any information you provide will be held in confidence by KU Medical Center Continuing Education.

We occasionally use mailing lists that we have leased. If you receive unwanted communication from KU Medical Center Continuing Education, it is because your name appears on a list we have acquired from another source. In this case, please accept our apologies.

Nondiscrimination Policy
The University of Kansas Medical Center prohibits discrimination on the basis of race, color, ethnicity, religion, sex, national origin, age, ancestry, disability, status as a veteran, sexual orientation, marital status, parental status, gender identity, gender expression and genetic information in the University’s programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies: Natalie Holick, Director, Equal Opportunity Office, HYPERLINK "mailto: NHolick@kumc.edu" NHolick@kumc.edu, Mail Stop 2014, 4330 Shawnee Mission Parkway, Fairway, KS 66205, 913-588-8011, 711TTY

Program Accessibility
We accommodate persons with disabilities. Please call 913-588-4488 or mark the space on the registration form and a KU Medical Center Continuing Education & Professional Development representative will contact you to discuss your needs. To ensure accommodation, please register at least two weeks before the start of 7th Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases.

University of Kansas Medical Center is committed to providing programs and activities to all persons, regardless of race, religion, color, national origin, ancestry, sex, age, disability, and veteran status. In addition, university policies prohibit discrimination on the basis of sexual orientation, marital status, and parental status.
